This colt is an outstanding looking horse with size and faultless conformation. He is black with no white.

His movement is big & expressive and he shows lovely extension. As a tall and leggy horse, he will suit the taller rider. He could jump or event.

Bloodline Notes

CRUSADER LS is a cross between NZ's best bloodlines through EUROSPORT CENTAVOS who won the HOY in 2015. His bloodlines are the blue blood of Hanoverian breeding. DIAMOND INVADER jumped herself to 1.30m and is by BRILLIANT INVADER, a top TB jumping sire.

This beautiful mare has consistently produced outstanding foals with good size. She is by TRIBUNE (by TRIC TRAC who sired 2 x HOY winners and top class eventers) out of a DISTELFINK mare out of a TELEREIGN mare. All bloodlines known in NZ for jumpers.
