The term "Series" refers to a number of competitions held successively at different events leading to a final classification, or to qualify horses and/or combinations for a final event or competition. The Star rating cannot be increased, or Star Rated competitions added, unless it is amended by the Board of ESNZ J and published on the ESNZ Website and in the Bulletin . If the Horse Grand Prix Star rating is lowered, all classes at that Event are adjusted to the same Star rating as the Horse Grand Prix.
 - 2.5.1. 1* and 2* shows can alter the star rating of up to 2 individual series classes per show. This is to be applied for at the time the show dates are applied for. 3* shows must continue to run all series classes at 3* level.

- 2.6. Only one competition at each event will qualify for points in each Series (subject to any exception approved by the ESNZ J Board which must be published on the ESNZ Website and in the Bulletin in advance).
- 2.7. Only in extraordinary circumstances will events or competitions be added to the Series (other than pursuant to the Series Conditions exceptions referred to immediately above).
