PREPARE: Cool Energy

SHARP NEW PRICES
FOR A NEW SEASON

The Calm Energy Tonic

Adaptogenic herbs help counter stress in horses training and competing, and help improve performance, winning attitude and faster recovery. Horses look and feel fantastic, travel well, eat well and perform better with longer-lasting energy and focus.

Prepare is THE wellbeing formulation to help prevent burnout and breakdown from training.

Regular use of **Prepare** increases capacity for:

- better endurance, work capacity and calm energy
- healthy glucose, carbohydrate, fat and protein metabolism for optimal energy production
- faster recovery from exercise and tissue repair following injury
- resistance to stress that may induce ulceration
- better endocrine and liver function
- healthy immune function, which improves resistance to, and recovery from, illness
- strong cardiovascular function and oxygen transport mechanisms stimulating healthy blood flow
- building lean muscle mass and shining coats
- helping protect against oxidative damage of exercise
- better focus and accuracy, delaying onset of mental fatigue
- calming anxiety, nervousness or aggression
- alleviating marish behaviour, tie-up, staggers and lactic acid build-up
- improved attitude and enjoyment of work
- general tonic for health and wellbeing
- standardised formulation for guaranteed potency.

2L \$299.90 (100 doses)

4L \$499.90 (200 doses)

BetaVet Prepare contains the herbs Siberian Ginseng, Rhodiola, Withania, Schizandra and Licorice.

BetaVet Prepare does not contain actives on the FEI or NZEVA Prohibited Substance lists.

Why you'll love the Innovation.™ If you are an instructor, you will love how it puts your students leg in just the right place so they remain balanced like never before. If you are an international competitor, you will love how your horse uses himself like never before. If you are a horse, you will love not being in pain every time you're tacked up. There's no limit to loving the Innovation.™
