FEI World Jumping Challenge

ID papers

Riders must have a copy of their IP papers identification page with them at the show. Phone ESNZ on FRIDAY for a copy of your horses ID if you have mislaid them.

Backnumbers

Under FEI rules, horses will be assigned a 3 digit backnumber. Riders must use the old 3 digit bridle numbers used several years ago. We will not have any at the show so you may have to borrow one from friends if you don't have them still. These numbers will be posted on the website and emailed to riders in the 3 classes. They also appear with the class listings.

Trotup

All horses competing in the FEI classes must present for a trotup on Saturday afternoon starting at 4.30pm approx in the Solway Oval on grass. Each horse needs to come with a completed ID Paper (or copy of) and must wear a 3 digit bridle number.

Approximate times will be assigned to each horse about 5 minutes apart and posted on the website and emailed to riders in the 3 classes. Riders are advised to check at the office for any changes in times.

Check out the turnout prizes above kindly donated by Wainuiamata Sporthorses!

BBQ at 5:30 on Sunday night in the marquee with refreshments and music. BBQ includes lamb on a spit with coleslaw – make your own bun. Its free so you are all welcome.

National Sponsor Equissage at show on Saturday

Susan Philp, Equissage Therapy Consultant is hoping to be at the show on SATURDAY to present the prizes in the EQUISSAGE CAT A Hi Points for Showhunters and will be available for a chat. Riders are invited to the office to complete a form to receive a complimentary consultation with Equissage. I am sure there are a few horses that would benefit coming on from Hawkes Bay to our show at least!
