Welcome, I would like to extend a warm invitation to this year's 71st South Westland A & P Show. Last year's show was one of the best and we are looking forward to another great South Westland event this year.

Our principal sponsor of this year's event is Mitre 10 Mega Greymouth and Mitre 10 Hokitika, so please if you see them give them a big thank you for their wonderful support. We extend our heartfelt thanks to all our sponsors who continue to support the show during these difficult times, without you the show simply could not happen.

The show is extremely important to the community, not only for the much-needed social aspect but also skills and competitions that would often otherwise be lost to younger generations. New innovations in the industries are displayed and these events are often the only time of year some people see each other. There are so many parts to the show and it is the bringing together of family and participants that make these A&P shows what they are!

The committee has worked very hard to provide the people of South Westland a show that is relevant, interesting, exciting and a great place to catch up with old friends & relations. We will have all the usual popular attractions, wood chopping, dog events with a twist, classic cars, live music, trade sites, home industries - shed entries and plenty of fun attractions for the children.

On a personal note, this my 21st year as show president! I'm not sure where the years have gone but somehow it's been twenty years! It has been an honour (and also some moments of madness) to be involved in the show this long and see the community get behind it each year.

The schedule and all other details are on our Facebook page <https://www.facebook.com/swapshow1> - please follow it for regular updates. Our theme this year is "Mountains to the Sea" so make sure Saturday the 24th February 2024 is in your diary to come and enjoy the fun of the fair! The long term summer forecast is looking good, but the show will go on rain or shine!
