

EQUINE FOCUS LTD – Physiotherapy for Horse and Rider

Amanda Taylor Bsc is a qualified **Equine Sport Therapist** with over 20 years experience in the field. Adding to her background in sport and physio she has combined her skills to work with both horse and rider partnerships to improve and maintain their performance. Her time is divided between equine sport therapies, research and development of equine biomechanics and fitness, coaching and consulting.

Amanda is based full time in New Zealand and lives with her family, horses and dogs at their livery, rehabilitation and training yard in the South Island.

For consultations and treatment options call Amanda 021 539 120 or visit www.equinefocus.co.nz
