FIRST RIDDEN - HOY QUALIFIER

To provide a transition from the Lead Rein section to the open ridden section, where a rider does not have to canter on the circle in company. For that reason First Ridden Ponies should be safe and suitable. They should possess a good front, even gaits and not be too wide for their small riders. The stride should not be too long, as this would unseat the rider and cause the rider to lose balance. Ideally the First Ridden Pony is a little more scopey in both conformation and movement than the Lead Rein Pony, although many ponies compete successfully in both sections. A First Ridden Rider is only able to compete in this section for a maximum of twenty-four (24) months. First Ridden Ponies not to exceed 138cm. First Ridden Ponies must be ridden in a snaffle bridle with a cavesson noseband, a snaffle bit and a single rein. A First Ridden Pony may compete in the Open ring with a different rider. No spurs to be worn. A cane or a whip not exceeding 68cm in length, which includes a flap 2cm wide by 4cm long, may be carried by riders in the First Ridden Section. Judging Criteria: Judged on - 60% suitability, temperament and safeness - 40% conformation and paces. All ponies to walk and trot in company, but may be asked to canter in their individual workout. The same Rider and Pony cannot enter in both the Lead Rein Section and the First Ridden Section or in an open ring, but a pony that has been entered in the Lead Rein, Group B or Group C Sections can be entered in the First Ridden Section with a different rider (who is eligible to compete in this section). A rider who has moved from the First Ridden into the

open rings forfeits the right to compete again in any First Ridden Events at any A&P Show, affiliated show or event, or any show that the RAS may from time to time designate as a show requiring specific qualifications (e.g. Horse of the Year)
