Wairarapa A&P Society take Biosecurity very seriously so we require our competitors to please adhere to the following rules

- The animal wash bays **must** be sprayed down with the Virkon supplied before and after use
- Unless an animal is either at the wash bay, in the ring or moving between, all animals must be kept within their stalling area
- Please do not share buckets, troughs, brushes or grooming equipment with other competitors
- There will be Hand Sanitizer provided in the pavilion
- As we are going to be running not only the show classes but also a beef display, there will be no access to the general public in the shed until after the showing has finished. If you are requiring extra people to attend to set up or assist you please ensure they are fully compliant with the above Bio-Security rules
- In the interest of Bio-security a “keep left” and “giveaway” to the right approach will be taken for animals entering and exiting the stalls in the show and display area.
- In the showing only area animals coming from the ring must be secured in stalls before the next class comes out
- All exhibitors are responsible for keeping their stalls clean and tidy at all times, including poo removal. To assist with this each exhibitor will be given an area with which to store their gear.
- There is a NO SMOKING policy in the Cattle Pavilion – it the responsibility of all to remind the general public of this.
