HEALTH AND SAFETY/RULES

All competitors and spectators enter the show at their own risk.

All horse manure, hay and rubbish must be picked up and the grounds left clean.

ESNZ approved red tagged helmets and appropriate footwear must be worn.

Plaiting and jackets are optional.

Food and drink vans will be available on the grounds.

Stallions must be handled with a bit in mouth at all times and be presented with the correct bibs and badges. They must also be handled by someone 18+ at all times and they are not to be left unattended at any time.

Dogs are welcome but must be on a lead at all times and must not be disruptive towards any animals or people while on the grounds.

Please be careful and respectful of green, nervous or young horses and keep your distance for their safety and your own.

Please park in your designated areas so everyone stays in their bubbles (parking areas are shown in the map below)

Please only come to the office if you are paying money, all refunds will be sorted via email and sent out after the show.

There will be covid-19 app sign in sheets on the entrance gate and near the office, if you have the app then please use this.

We will have no food or drinks vans there so please bring your own.

Please keep supporters or helpers to a minimum as we want the least amount of people on the grounds at one time.

When parking we would appreciate it if everyone could park nose into the rails and keeping the 2m social distance. Once all the rail is full then just park efficiently.

Morning competitors please be off the grounds as soon as possible to make room for afternoon competitors.

Toilets will be regularly sanitised (these are located over by the grandstand).

We encourage you to wear masks were possible and hand sanitiser will be available.

If you feel unwell please do not attend.

As you will see in the program there are no Supremes and no working hunter but we are doing a height points prize between the two shows.

*****Leadrein/learner ring will start at 9:30am with Inhand then a 25min break then followed by the ridden. This will take place in the designated area*****
