Subject: Re: Inhand classes

The nz equestrian pleasure society have been in discussions over the entry into inhand classes following a query in regards to adults with ponies.

It has been decided that the inhand classes will align in rules to the ridden section.

So an adult with a pony shall compete in the hack section and a child with a hack will also compete in hacks

Hopefully this will keep it simple final committee vote was 7 to 5 for it to be this way.

Thanks
Leeanne

Kind regards
