

PHOTOGRAPHER CONDITIONS

GLISTENING WATERS ESNZ NATIONAL SERIES FINAL SHOW 2021

We welcome you as a photographer to our wonderful event and look forward to seeing the gorgeous imagery you will produce.

PARKING

There is free parking on-site – you will be directed to the public parking area.

OUR EXPECTATION

Photographers selling imagery to riders will be required to provide 10 high-resolution images for Wairarapa Showjumping Group for use in future promotion of the event. None will be given to a commercial third party for use. Photo credit will be given to the photographer where possible. Each image can be supplied clean in high res and with your brand in a corner for the low res (same image). If you would rather pay a fee to shoot at the event, please let us know.

SHOOTING

As you know we are trying to ensure photographers are spread across all the rings both for coverage and riders. We know some of you need to be shooting in the Presidents Oval for publications but we would dearly love some coverage in the Showhunter ring and Ring 2. Can you please look at your schedules and let us know any classes you could shoot on the each day. These will come off the imagery you are required to give to the event. A big thanks in advance.

We will continue to push out a full list of our photographers so riders know who has imagery available from the event.

LIVESTREAMING

Livestreaming will be part of our event and provided by Toby from Noise Productions so there is to be no moving imagery shot without permission and all interviews with riders/sponsors will be covered by the show

AWARDS DINNER

The ESNZ Awards Dinner that will be held at Copthorne Solway Park on Saturday evening will be covered by Kampic – Kerry Marshall

MEDIA ROOM

A media room with Wi-Fi will be available in the Secretary's Office for official photographers

HEATH & SAFETY

A health and safety brief will be held on Friday 9th April at 7.30am sharp at the Pidgeon and Poultry Hall (Just beside the A&P office)
