

Jumping Wairarapa

is excited to bring you the

Summertime Sam 2021 Winter Jumping Series

Sponsored by the Willets-Scott Family in memory of their fabulous pony, *Summertime Sam*, who came up through the ranks at winter practice days to compete to Mini-Prix, and then went on to teach many kids in the Wairarapa/Wellington area.

This season we are fortunate to have amazing sponsors and support for a super fun Winter Jumping Series!

We are excited to host a Winter Series Competition that provides a fun, safe but stimulating environment for horses & riders, and encourages a competitive, yet learning series - celebrating development and success!

- You may enter the same height / class twice, however only your **first round** will count towards a prize or points.

- ❖ **SJ Days** - First class is a "Cross Bar" challenge. All clear rounds win
 - Horses may enter up to 3 x classes per day (only one counts towards points)
- ❖ **SH Days** - Practice rounds at height 40-50 cm (one round per horse). Enter online
 - Horses may enter up to 3 x classes and complete one practice round per day

Series Points Allocation

Points will be allocated for each class (not practice rounds), as follows:

(Eliminations, retirements or greater than 12 faults will not gain points regardless of class numbers.)

Points	Assuming 8 + entries	If less than 8 entries	A1 Cross Bar Challenge
1st	8	5	1
2nd	6	3	
3rd	4	2	
4th	2	1	

Series points will be accumulated against the horse/rider combination.

Horses ridden by a different rider during the series will be recorded separately, eg:

Flicka	T Jones		2	1	0	4	7

No points or prizes will be issued for practice rounds. Your nominated round may be a Show Hunter Equitation class - any points gained will count towards the Equitation Series and the overall points series.

Types of Classes:

- **A1 (1 round, not against the clock)**
In a Table A1 class, competitors with equal jump penalties share equal placings. Placings are not determined by the time taken to complete the round. Eg all clear rounds are first equal. (Article 238.1.1)
- **A2 (1 round against the clock)**
In a Table A2 class, competitors with equal penalties for any place are positioned in accordance with the time taken to complete the round. The competitor with the least faults and the fastest time wins. (Article 238.2.1)
- **AM5 (A Jump Off class against the clock)**
In an AM5 class, the first round is times, however if there are competitors tied for first place after the first round (with equal jump faults) a jump-off will be carried out. The jump-off is also timed. The winner will be the competitor with the least faults and the fastest time in the jump-off. Those who jumped off fill the top placings based on faults and time in the jump-off. The rest of the placings are filled by the competitors who had the next least jump faults, and based on their time in the first round.
- **Show Hunter Equitation**
Jumped over a show hunter type course that may have more technical questions and with some added tests. Halting on course, jumping a fence from a trot, or performing a sitting trot are just some of the tests riders may be required to do. The required *course workout* will be published at the start of the competition day and needs to be memorised prior to the competition.
