- You must check-in – using the NZ COVID Tracer App. A manual sign in option will be available at the gate for anyone who's details have not already been recorded.
- You should maintain a 2 metre distance from people outside your bubble at all times. A minimum 1 metre distance will apply in all indoor areas with additional hygiene precautions such as in the judges box and toilets.
- Base yourself at your truck/float – use it for storing your belongings, resting, and picnicking.
- Please make use of your own toilet/shower facilities if you have them.
- When unmounted, face coverings are strongly recommended, and are mandatory if physical distancing requirements can not be maintained.
- There will be increased cleaning – especially in high risk areas.
- Wash your hands frequently, cough/sneeze into your elbow, and use hand sanitiser provided.
- Additional restrictions may apply as government guidelines are updated.
