

COVID-19 ENTRY UPDATE, GATES OPEN TIMES

We are so fortunate that we are in the Covid-19 orange traffic light system. Entry on to the Poverty Bay A&P grounds is between 2.30pm-6.30pm on Thursday 20 January 2022, thru Gate 3 – 34 Main Road, Makaraka, Gisborne 4010. Cameras are operating within the Poverty Bay A&P Showgrounds. If you are entering outside these times, please contact 0276222376.

Every person entering the Poverty Bay A&P Showgrounds must have a Covid-19 valid vaccination certificate and scan in **ON ARRIVAL** at the GEC indoor arena office. Please see stabling site plan for location. Then you will receive a wristband on arrival at the GEC Indoor arena foyer office. No vaccination certificate, no wristband, NO ENTRY!

No sawdust is allowed in outside yards and limited sawdust available.

Gizzy style Friday night BBQ/burgers outside the GEC indoor arena. Sorry no bar this year (Covid-19 and traffic light system), bring a chair and BYO, all looking forward to a R&R evening 😊.

If entering the grounds after 6pm, please contact Ange 0276222376
