THE HISTORY OF THE NZ NATIONAL JUMPING CHAMPIONSHIP

The New Zealand National Jumping Championship has been the pinnacle show jumping event in the South Island for the past 26 years.

It was initially established by Alan Hampton in 1996 with the purpose of providing a top South Island show jumping event at the time when the NZHS decided that the Horse of the Year show would no longer rotate between the North and South Islands. It was agreed at this time that Horse of the Year would be held in the North Island and NZ National Jumping Championship in the South Island.

Alan Hampton developed the show's unique three day championship format based on the show jumping competition held at the World Equestrian Games and applied to ESNZ to have three national titles awarded at the show. The national titles were to be the NZ Premier Championship, the NZ Grand Prix Championship and the NZ Pony Championship.

Alan continued to run the show for a number of years to follow until a sub committee was established under the South Island Show Jumping Committee bringing together all seven South Island Areas to finance and run the event.

RUTHERFORD CUP

Awarded to the winner of the NZ Premier Championship (National Title)

This trophy is in remembrance of Mr Ben Rutherford who was known as "Mr South Island", and was the president of the NZ Horse Society (ESNZ) from 1959 to 1962.

Mr Rutherford was also team manager of the first New Zealand Olympic Show Jumping team to Tokyo in 1964.

The trophy had been previously presented to the winners of the NZ Areas teams competition but by 1995, with a decline of entries, the teams competition ceased to run. The wife of the late Ben Rutherford, Monica Rutherford asked Alan Hampton to request the reallocation of the Rutherford Cup and it was decided to be presented to the NZ Premier Champion.

Ben Rutherford on the best showjumper he ever had. He won both the open leaping and the 15-stone hunter events.

A popular win for David Goodin and Rich Hill in the Bell Tea Grand Prix. Shown here with the horse's owner Alan Hampton.

Mary Dalley

MARY DALLEY TROPHY

Awarded to the winner of the NZ Grand Prix Championship (National Title)

This trophy was gifted in remembrance of the South Island woman who was the first female president of the NZ Horse Society (ESNZ) holding the position from 1975 to 1978. Mrs Dalley was also the first female NZ selector, president of the South Island branch of the NZHS, a course designer, as well as a very successful competitor who represented the South Island in the teams competition on numerous occasions.

HAMPTON TROPHY

Awarded to the winner of the NZ Pony Championship (National Title)

Alan Hampton has donated this trophy to the winner of the New Zealand Pony Championship and it will be presented for the first time at the NZ National Jumping Championship 2022.

JUNE CRESSWELL MEMORIAL

Awarded to the winner of the NZ Horse 1.30m Championship

Cantabrian June Cresswell was a passionate horsewoman who enjoyed much success in both show jumping and eventing winning numerous titles and trophies across New Zealand during the late 1960s and 1970s with a succession of homebred horses. Perhaps her greatest achievement was jointly winning the Pilmer Plate for the pussiance at the Horse of the Year show in Dunedin in 1977 aboard Freddy with Ken Kelso aboard Tom Jones.

In her later years, June was a generous sponsor of the sport getting financially behind the NZ National Jumping Championship and the Canterbury A&P Show.

In 2012, June Cresswell left a significant bequeath to ESNZ (Canterbury Area) with the request that half being used for covered yard block at the NEC Christchurch and the remaining amount to be invested (The Cresswell Fund) with the interest used for prize money for the highest class at the National Championships.

June on Freddy at the 1977 Horse of the Year Show where they tied Kelso (Tom Jones) for the Pilmer Plate – the Pussiance Trophy.

Welcome

On behalf of the organising committee for the NZ National Jumping and Show Hunter Championship Show, I warmly welcome you to the 2022 event at the South Island National Equestrian Centre.

Your continued support as a competitor, sponsor, official, volunteer or spectator is truly valued and certainly adds to the quality of this prestigious event.

The show continues to grow and we are excited to host another large contingent of riders down from the North Island and we welcome them to the Mainland.

We are thrilled to be running the Premier Championship for the Rutherford Cup with the biggest field of New Zealand's elite riders that we have seen for some years. We are looking forward to this being an exciting competition to follow over the duration of the show.

The show is shaping up to an exciting four days as a large number of competitors compete for the glory of National Titles in both Show Jumping and Show Hunter. Alongside this we have an extensive trade and food alley as well as exciting entertainment planned for riders and spectators.

The country moving to the red traffic light setting three weeks before the show has certainly made for a challenging time for the committee and has unfortunately meant some changes to our plans to enable the show to still go ahead.

We wish all the competitors a successful competition and a safe journey home at the completion of the event.

Stay safe in these challenging times.

Show Jumping Areas

A big thank you to the Show Jumping Canterbury. Without their continued support and willingness to assist the Nationals Committee with this event, it would make the organisation much more difficult.

And to all the South Island Areas who assist at various levels – thank you

THE COVER QUEEN SHOW HUNTER AREA TEAMS CHALLENGE

The Cover Queen National Area Teams Challenge is to be held during the Tavendale and Partners NZ National Jumping and Show Hunter Championship at McLeans Island, 10-13 February 2022.

This team's competition is a fun and all inclusive challenge that will promote a team spirit across the age groups in each Area.

Results are taken for each team member from their events entered over the show and tallied at the end.

TEAMS:

1. An area may enter more than one team
2. A team should consist of a maximum of three horse/rider combinations and three pony/rider combinations (any category)
3. Teams can compete with less than the maximum number of combinations
4. A rider may only ride one mount per team and may only ride for one Area. (Note a rider may ride a different mount in another Team from the same Area)
5. Team members and mounts to be named prior to the commencement of the show
6. Once a team member and mount has started competing they cannot be replaced by another rider or mount under any circumstances-changes can only be made prior to the commencement of the first day of competition.
7. Smaller Areas may join to form a Composite Team, only if no-one else from their Area is attending the Show. (Note: Composite Teams require approval from the Organising Committee)

ENTRY:

1. Area Groups are responsible for their own selection criteria
2. It is suggested that where possible reserves are selected
3. Team entry fee is \$5.00 per rider
4. Normal Class entry fees for each class apply
5. No late team entries (after the start of competition on Day 1)
6. Complete and submit the Area Team Entry Form by the close of entries.

SCORING:

1. The best six scoring rounds (including equitation) for each team member over the three days will contribute to the overall team score. (ie maximum possible score per rider is 36)
2. Points will be taken from individual rounds as per ESNZ scoring system. For example if a team member wins a class 6 points will go towards your team score – 1st 6 points 2nd 4 points 3rd 3 points 4th 2 points 5th 1 point
3. In the event of a tie a count back will take place starting with the number of wins achieved by each team member during the show, if still tied then the number of seconds, etc until a final result is achieved.

PRIZES:

Rugs donated by **The Cover Queen** for the winning team.

\$400 prize money for the winning team kindly donated by **Westfield Stud** and the **Collins Family**.
