

Hello to all the 2022 Winter Olympic riders and parents,

I just thought I would write to thank you so much for supporting this special event, in its 13<sup>th</sup> year of running. The Winter Olympics has grown from a little practise day with 30 riders and raising \$300... to this year, 200+ competitors and \$50,000+ funds raised. Thanks so much for helping to make this a memorable occasion!

I would also like to thank riders for leaving the grounds in such a tidy condition, with no poo, hay or rubbish lying around. And I was so happy to also hear that Olympians who stayed at the Waipuk Jockey Club, left their yards clean too- good on you!

Thanks also to those kind riders who donated their refunds and those who supported the Second Hand Shop with donations. Oh and if you have entries or IOUs outstanding, I'd love to get these added to our grand total asap, much appreciated!

I have loved seeing photos and videos from the day... lots of great riding and big smiles! I know, there is always room for improvements, so we welcome any feedback. Or if you have some thanks for our amazing volunteers- I'd love to hear that too and I can pass that on to our judges and organisers.

Below is a list of kind sponsors who have helped to make this such a successful fundraiser. Please take the time to thank one or more of them, so hopefully they continue to support our sport. Or choose to use these businesses in the future, I know I will!

We should all be proud of the positive impact these funds are going to have on our community, through the services of the Rural Support Trust. We never know what challenges lie ahead of us, but please be assured; the Rural Support Trust can help, phone 0800 787 254,

Thanks again, see you at the next Olympics, kind regards, Claire Wilson
