

SHOW DAY NOTICE!

Hello Team!! Today is the day!

Gates open at 12.30pm (Wednesday 8th Feb)

We have sawdust, its at the far end of the oval, by ring four in a big shed.

We suggest you BYO your own wheelbarrow as it can be a bit of a hike from the stables and covered yards by ring one.

For anyone who has never been to the Dannevirke Grounds before.

The entrance we use to the grounds is off high street, this gate remains open but the one leading into the parking area should be kept closed incase there is a loose horse.

If you put in your maps on 290 High Street, you can't go wrong!

There will be clear signage for our Sponsors, Stewards & Helpers Parking.

If you are not any of the above please park in the big paddock as you come in, we will have parking wardens coming around and you will be required to move if in the wrong spot.

Its going to be a great show and see you all soon!
