and frustration with the

## **ShoeSecure®** **HORSESHOE SHIELD**

**An Innovation in Horseshoe Loss  
Prevention and Heel Protection**

Designed from an experienced equestrian background and precision crafted in durable thermoplastic polymer to protect the heels of the horse's front shoes from being struck by it's hind feet.

- Highly refined product design shaped to maximise protection without impacting performance
- Re-usable, lightweight and easily attached by means of two low profile SupaStuds™
- Reduces risk of time consuming shoe loss in challenging environments without impacting the horse's gait
