➤ YARDS

Only use a yard if you have booked & paid.

They are sold out, please don't come asking for one.

About 25 yards have been allocated, you would have been contacted directly.

If you have not been allocated a yard but have booked one you enter through GATE C and select your own yard in the blue areas on the map.

!!!!!!! PLEASE LEAVE YOUR YARD IMMACULATE!!!!!!!

➤ PARKING

Due to huge entries please park as close to each other as is safely possible.

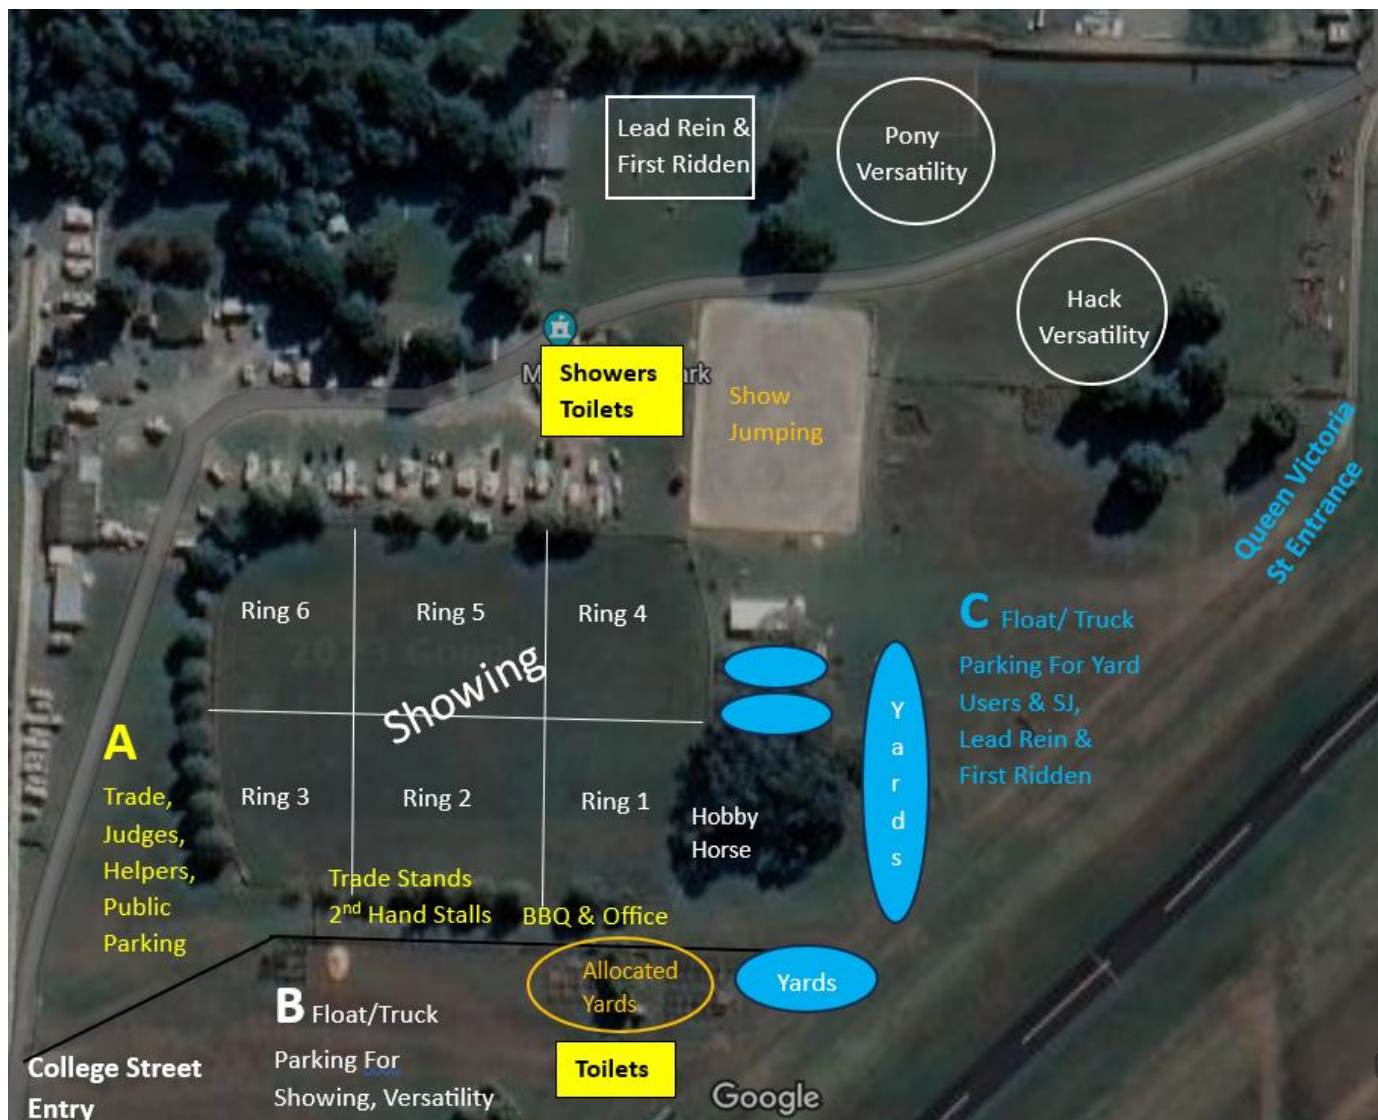

Enter through correct gate for your parking area, there is NO thoroughfare thru the park for Vehicles, there is for humans and horses.

If you have a yard you must park near that, for non-yard users park where your section is allocated parking, this will spread people more evenly and everyone will fit in.

GATE A- Trade Strands, 2nd Hand Stalls, Judges, Stewards, Helpers, basically anyone without a horse

GATE B- Floats & Trucks for competitors with allocated yards, Showing in rings 1-6 & Versatility

GATE C- Floats & Trucks for **All** other yard users. Showjumpers & Lead rein & First Ridden
