Prize Giving

Prize giving will be conducted unmounted outside the Pony Club shed at the conclusion of the competition and scoring.

We appreciate that everyone wants to leave as soon as possible but collating scores and calculating points does take time.

Our Senior riders will be organising some novelty games whilst we wait for prize giving.

If you need to leave prior to prize giving and would like ribbons/tests sent out, please let us know. Product prizes are forfeited if winners do not attend prize giving.

Any help packing away the dressage arenas prior to Prize Giving is much appreciated.

Trophies will be handed out for a photo opportunity only, then must be handed back to the event secretary.
