## First Ridden - HOY Qualifier

### Judge -

This is a transition ring from the Lead Rein section to the open ridden section, where the rider does not have to canter on the circle in company. In this section the judging criteria is 60% suitability, temperament and safeness, and 40% conformation and paces.

The First Ridden Rider cannot enter in both the Lead Rein section and the First Ridden section or in an open ring, but a pony that has been entered in the Lead Rein, Group B or Group C sections can be entered in the First Ridden section with a different rider (who is eligible to compete in this section).

A rider who has moved from First Ridden into the open rings forfeits the right to compete again in any First Ridden events at any A&P Show, affiliated show or event, or any show that the RAS may from time to time designate as a show requiring specific qualifications. A current example is the Horse of the Year Show.

First Ridden Rider is only able to compete in the First Ridden section for a maximum of twenty-four (24) months from the date of their first show.

The age limit in the First Ridden section is under 10 years (age is determined as of 1st August 2023).

First Ridden Ponies must be ridden in a snaffle bridle with a cavesson noseband, a snaffle bit and a single rein.

**PLEASE NOTE:** No cantering is allowed as a class however the judge may ask for a canter in the individual workouts. A cane or whip not exceeding 68cm in length with a flap 2cm wide and 4cm long may be carried by riders in the First Ridden section. Pony Height certificates and performance cards must be carried.

Failure to do so will result in elimination.

Ponies height in this section must not exceed 138cm.

Number Holders to be used instead of Back Numbers.

An exhibit may only be entered in the show type or hunter type not both

*For pony club type ponies please see classes in the pleasure horse & pony section*
